Pathways to Biliteracy

In conjunction with the Orange County Department of Education, El Sol Academy participates in the annual Pathways to Biliteracy Awards. This award is given to students exiting Pre-K, 3rd, 5th, and 8th grade. In order to receive a Pathways to Biliteracy Award a demonstration of skills is completed and submitted by the recommending teacher to the Orange County Department of Education. Achieving advanced levels of knowledge and proficiency in another language is a demanding process. The pathways award was designed by the Orange County Department of Education in an effort to support and affirm positive attitudes towards multilingualism. This award will also pave the way for the Seal of Biliteracy, an honor granted to high school seniors upon graduation certifying attainment of mastery in two or more languages.
